Cir.No.3/2026

Date: 24.01.2026

Dear Comrades,

**MARCH ON TO CENTRAL CONFERENCE TO BE HELD ON 22ND FEBRUARY 2026
AT INSTITUTION OF ENGINEERS, KHAIRATABAD, HYDERABAD**

It is with great pride that we announce the successful conclusion of the Triennial Zonal Conferences across all eleven Zones viz. Ahmedabad, Bengaluru, Bhopal, Chennai, Delhi, Hyderabad, Kolkata, Lucknow (UP/UK), Mumbai, Trivandrum and Udupi. From Ahmedabad to Trivandrum, our meetings witnessed unprecedented enthusiasm, demonstrating camaraderie, collective resolve to fight against the discrimination and injustices faced by bank retirees. The democratic process was upheld with remarkable integrity. Delegates and office-bearers representing nearly all 175 Regions have been elected in an orderly and peaceful manner. Despite the challenges of age and distance, members presence in massive numbers has proven that our Association remains a peerless force in the banking industry today. With the completion of five Triennial Zonal Conferences, we have added a new chapter to the annals of the bank retirees' movement in general, and Canara Bank retirees in particular. Our Association stands unparalleled among retirees' organizations in the banking industry today. We are the only retiree organization capable of attracting such mammoth gatherings and conducting simultaneous meetings at so many centers across the country. We are proud to be a genuinely democratic and well-structured organization. We extend our gratitude to the entire membership for your unstinted faith, and we congratulate the office-bearers and activists whose hard work made this stupendous task possible.

Our next mission is to make the All India Triennial Conference and General Body Meeting a grand success. Formal notice for the General Body has been issued. We have extended invitations to Bank Executives and leaders from AIBPARC and other fraternal organizations, who will join us as Guests of Honour. We cordially invite all members to participate in this conference commencing at 10.00AM on 22nd February 2026 at Institution of Engineers India, Telangana State Centre, Khairatabad (Near Metro Station), Hyderabad which will be addressed by a galaxy of leaders. Let us together write a new chapter in history by making this event a resounding success.
