Circular no 81-26

Date: July 07, 2026.

For Circulation among members of the Governing Council, State Secretaries, Advisors, Special invitees, Affiliates of AIBPARC, Constituents of CBPRO, and Members:

Dear Comrades,

Celebration of Bank Nationalization Day.

Sub: A Special programme undertaken by the organisation to commemorate the day.

1. Members are aware of the fact that the 58th Bank Nationalization Day will be knocking at our doors within next few days. As in other years, we shall be issuing a proper circular narrating the glories and the immense possibilities associated with the unforgettable event of Indian economy at the right time.

2. Now we have come before you with the call "**Plant a Plant to save the Planet**". Perhaps it will be the most socially and environmentally relevant campaign at the present moment to commemorate the day which aimed at the upliftment of the economically down trodden people of India. Noted Economists have clearly shown that the poorest segment of society is the worst - hit part of the society by the climatic pollution. We, the Elder Citizens of the Society, cannot remain as mute spectators.

Nationalization of Banks on 19th July 1969 heralded the Most Needed Revolutionary Transformation of our Beloved Nation which propelled Green Revolution, White Revolution, Industrial Revolution and Aspirational Revolution among the Rich and Poor for a far better quality of Living. We, as Bank Pensioners and Retirees have a Great Sense of Pride that We had played a Sterling role in the Realisations of the Awed Objectives of Bank Nationalization. Hence the Celebration of Bank Nationalization Day in a befitting way is our Bounden Duty and a Privilege too.

As Senior Citizens and being Former Bank Men and as Conscientious Environmentalists, let us Celebrate Bank Nationalization Day in a Novel and Noble Way as an Expression of Our Commitment and Dedication to the Wellbeing and Hazard Free Climate to the Younger Generation Population by observing "**Plant a Plant to Protect the Planet** " Program with all Sincerity and Enthusiasm.

We also urge upon you to participate in all other programs organised by different Organisations marking Celebration of Bank Nationalization Day.

3. All our Affiliates, State Committees and different tiers of the organisational structure are called upon to celebrate the programme in the right spirit and with total dedication and devotion. Brief reports with photographs may be sent to the central office for issue of summarised circulars.

We wish that our Affiliates and members would realise the importance and significance of the call and employ their best possible endeavours to make the programme a stupendous success.

With best wishes and regards

Comradely yours,

K.V. Acharya.
