Cir.No.14/2026

Date:19.07.2026

Dear Comrades,

58th BANKS NATIONALISATION DAY
"PLANT A PLANT TO SAVE THE PLANET"
A Nationwide Programme of
Commitment and Social Responsibility

We are extremely happy to note that in response to our Circular No.13 of 2026 dated 07.07.2026 the nationwide programme organised by CBSpra on 19th July 2026 to commemorate the 58th Banks Nationalisation Day has been celebrated with remarkable enthusiasm and overwhelming participation throughout the country.

We convey our hearty congratulations and appreciation to all the Central Committee, Zonal Committees, activists and members whose dedicated efforts made this programme a grand success.

Remembering a Historic National Event

The nationalisation of major banks on 19 July 1969 was a landmark event in India's economic history. It transformed banking from serving a limited section of society into an instrument of financial inclusion and national development.

It's an undisputed historical truth that Bank Nationalisation helped extend banking services to rural and semi-urban areas, supported agriculture, small industries, weaker sections, women empowerment and promoted balanced economic growth. It remains an important milestone in the nation's developmental history.

Commemorating this historic occasion every year reminds us of the social responsibilities associated with the banking sector reforms and the values of inclusive development.

A Meaningful Call by AIBPARC

On the occasion of the 58th Banks Nationalisation Day, AIBPARC gave a nationwide call to all affiliate organisations to organise a "Plant a Plant to Save the Planet" programme.

The objective was simple but significant - to celebrate the occasion not merely through meetings and speeches, but by making a positive contribution to society and the environment.

A Nationwide Response

CBSPPRA responded to this call with great enthusiasm.

The programme was organised at a large number of centres across the country. Our leaders and members came together to plant saplings, reaffirming our commitment towards environmental protection and sustainable development.

The photographs attached to this circular clearly reflect the spirit, enthusiasm and wholehearted participation of our members.

Strengthening Organisational Unity

Every nationwide programme provides us an opportunity to strengthen our organisation.

Whether it is Foundation Day, Banks Nationalisation Day or any other important occasion, such programmes bring together our members, enhance public visibility of our Association and reinforce our unity and collective commitment.

The enthusiastic participation witnessed on this occasion once again demonstrates the organisational strength of CBSPPRA and the dedication of our members throughout the country.

Let the spirit displayed on this occasion inspire us to participate with equal enthusiasm in every future programme of our Association.

Together, let us continue to strengthen CBSPPRA and contribute meaningfully to society.

Unity is Our Strength – Welfare of Retirees is Our Mission

With greetings,
Yours comradely,

K Suresh Babu
GENERAL SECRETARY
