Cir.No.2/2018 (PLEASE CIRCULATE TO ALL MEMBERS/ RETIREES) Date: 6/1/2018

Dear Comrades,

**REIMBURSEMENT OF ANNUAL MEDICAL EXPENSES  
EXTENDED TO VRS EMPLOYEES**

We are happy to inform our members that the benefit of reimbursement of annual medical expenses of Rs 3000/- presently available to superannuated employees has now been extended to VRS employees who have completed 60 years of age. This was one facility which we have been demanding from the very first day of inception of our organisation. Time and again we were calling on the management to consider the same favourably. In every joint meeting we have raised the issue. Every time we met the Chairman/ MD and other top executives we prevailed over them to convince about the genuineness in the demand. We did so in order to eliminate discrimination between superannuated employee and VRS employee at least after attaining the age of superannuation. Originally there was a stiff opposition to the demand due to a negative perception about the VRS employees in the minds of the top executives including the earlier CMD and they were even getting annoyed when were raising the issue. But later on upon our consistent persuasion and keeping in view of our repeated demand in the Joint meetings they came round and started explaining paucity of funds. Later on every time we spoke to them a solution was appearing to be in the sight but was eluding for one reason or other. It was during our recent regular visits to Corporate Office after the present MD assuming office the issue got favourable attention. Meanwhile our SBOA comrades particularly Com. Prakash Karotya, President and Com. S A Manjrekar, General Secretary had taken up the matter several times and also got it recommended in the Staff Welfare Committee which helped in finally clinching the demand. Comrades, this is a hard earned benefit which we got after years of persuasion. We are proud of this major achievement. We congratulate all the VRS employees in this regard. These benefit of Rs 3000/- will be extended on declaration once in a calendar year to all the VRS employees/ Family pensioners of VRS employees provided the deceased employee would have completed of 60 years of age on the date of claim. The claim shall be submitted to pension paying branch.

**HEALTH INSURANCE PREMIUM - REIMBURSEMENT OF Rs 1000/-**

Our members are aware that we have been demanding reimbursement of insurance premium paid by retirees of the bank under IBA Health Insurance Scheme. Earlier when the insurance scheme was introduced in the bank the management appeared to be favourably disposed. Our demand was even recorded in the joint meeting minutes. It was almost about to be considered and we had expected that at least 50% of the premium will be reimbursed. But due to various developments in the bank and also stress on the balance sheet of the bank the demand was relegated to back bench. Now in the changed

circumstances and under the new MD the issue got needed attention and our demand has now been conceded partially. Bank will be sanctioning reimbursement of Rs1000/- towards premium paid on IBA Health insurance policy to all including VRS employees and family pensioners of VRS employees. It will be in lieu of reimbursement under Synd Arogya health insurance policy. Comrades, this is yet another achievement we could accomplish with our persistent efforts. However our demand for reimbursement of entire premium is unchanged and we shall continue to pursue the same.

Salient features of the both the above reimbursement schemes are given in the bank Circular No.018-2018-BC-HRD-04-SWD Date: 03-01-2018 which is attached herewith for the information of all. We have furnished Annexure 1 and 2 (claim forms) hereunder for ready use by members.
